COMMENT

JOURNEY WITH THE HUNGARIAN RED CROSS

Caller: Do all you can to help MARIKA to come. Tell her she shall look up BELA MADAY at the RED CROSS, he makes trips to and from Vienna. He will settle everything for her.

Comment by Jules : Bela MADAY is the man, who was sent to Vienna three or four months ago to re-organise the local section of the Hungarian Red Cross, which seems to be full of Arrow-Cross men. He seems to be honest, but dumb and apparently is being used by the others, who staff the section.

The attached was brought to me from the Censorship
office in answer to a memo sent to them a year
ago by John Heyn, asking for any material consi-
dering AJDC. They say they seldom have such
material and wonder whether there is anything
else that might be of interest to us. I told
him that the organization SCI/A didn't exist
any longer, but if somebody else is interested
in the stuff he will be informed.
